**TRANSMITTAL OF
SUPPLEMENTAL APPLICATION DATA SHEET
(FIRST SUBMISSION OF ADS)
UNDER 37 CFR §1.76**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant submits herewith a Supplemental Application Data Sheet meeting the requirements of 37 CFR §1.76. Please note that this is the first submission of an Application Data Sheet, but because it is filed after the initial filing date of the application, it is termed a Supplemental Application Data Sheet (SADS), in accordance with 37 CFR §1.76(c). The new information provided by this SADS is the additional foreign priority information, which appears in bold text and is underlined.

The Application Data Sheet is submitted in order to establish a claim for priority to an additional French priority application (No. 0102948, filed March 5, 2001), for which a claim was not made when the original application was filed. The

SADS is filed in lieu of a Supplemental Declaration. Accompanying this paper is a Petition to Accept Delayed Claim for Priority.

Applicant notes that the requirement set forth in 37 CFR §1.63(c)(2), to the effect that a claim for priority must appear in the inventor-signed declaration, is applicable:

[U]nless such information is supplied on an application data sheet in accordance with §1.76

37 CFR §1.63(c)

Since the required priority information is set forth in an Application Data Sheet, there is no requirement that it be identified in an oath or declaration herein.

Respectfully submitted,

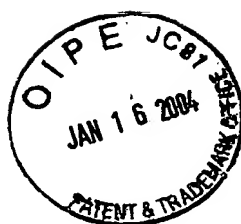

MILES & STOCKBRIDGE P.C.
